Dear Chaplain, MG Baldwin (ret) and Mr. Taylor,

On behalf of the base chapel, I would like to personally thank you for giving your time and effort to help develop the Tri-County Veteran Support Network Resource Directory. The Joint Base Charleston Chapel has added the file to its mobile app, which incidentally was the #1 Download in March 2014. Undoubtedly, this resource directory is perfect for meeting our goal of connecting the military community to services that bring hope.

Your hard work behind the scenes allowed the Joint Base Community to enjoy and utilize the services listed in this amazing database. By generously sacrificing your time and talents, you have already helped countless people strengthen their faith and empower their lives, especially those who are currently making the transition to the civilian sector in this time of Force Management for those in uniform.

I appreciate your work; you did a great job. Thank you!

Sincerely,

A handwritten signature in black ink that reads "Daniel W. Thompson".
