Tri-County Veteran Support Network

This letter is in appreciation for the many opportunities the *Tri-County Veterans Support Network* provides to collaboratively interface with the Ralph H. Johnson VA Medical Center in Charleston, South Carolina, in unrelenting support of our Veterans. The continuously updated *Directory* of local services and community-based organizations is a valuable resource for our Veterans and their families, and is only one example of the heart-felt effort put forth by your organization and supporters.

It is an honor and privilege to continue to coordinate our efforts on annual projects such as the Ralph H. Johnson VA Medical Center's Mental Health Summit, and our on-going outreach events designed to identify and invite all Veterans who are in need of services, and to conduct professional training seminars designed to support those who provide services to our Veterans and their families.

We look forward to many years of collaboration with *the Tri-County Veterans Support Network* and with all of our Charleston community-based stakeholders in support of those who sacrificed so much for our country.

Sincerely,

James G. McDonagh, Psy.D.  
Psychologist/Local Recovery Coordinator  
Ralph H. Johnson VAMC
